

# Mollis

## *MOLLIS*

Inspired by how the ocean or river can shape rocks into a soft and pleasant shape over time. Cas Moor wanted the design to feel like soft pebbles that have been assembled into a seating configuration. The objective was to create a seating arrangement that evokes the tactile comfort of these soft pebbles, arranged harmoniously for relaxation.

It's possible to configure the seating elements with different modules, which adds to an inviting appearance, created through the interaction of the elements.

This results in a modular sofa system featuring elegant and curved forms that transform any space into a warm and cozy setting. If you look closer, you'll be amazed by the plenty of details in the design such as inverse cross stitching on the cushions.

## CUSHIONS

No cushions included in this sofa.

If cushions are desired for Mollis Grande sofa, we suggest to take one cushion of 55X55 cm per seating module.

If cushions are desired for Mollis sofa, we suggest to take one cushion of 40x40 cm per seating module.

## MATERIAL & CONSTRUCTION

Seat and back frame made in solid beech wood. Back frame is covered with coldfoam filling and wadding. Seat is made with zig-zag springs, felt, cold-foam and wadding. The module is upholstered in high-quality textiles. Modules are kept together with connecting metal brackets.

Different upholsteries may have different looks, and some fabrics may wrinkle slightly around the curved seat.

## CARE & MAINTENANCE

For textile upholstered versions: In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water.
